My friends, it seems that there is a deceptive meme making the rounds on the social networks right now which includes a link which points to a commentary on the jewishpress.com website. Written by Tzvi Fishman, and dated March 13, 2025, the title of the commentary is "Breaking Purimspiel News: Pres. Trump Undergoing Conversion to Judaism". If you take the time to read the commentary -- the link is at the end of this same article -- the jaw-dropping claims it makes become more outlandish and ridiculous the deeper you read into the article. So exactly what claims does it make? Well, consider the following.

Following suit to his own daughter Ivanka's conversion to Judaism in 2009 prior to her marriage to Jared Kushner, and based on information from an unnamed White House source, the commentary claims that for a number of months now, President Donald J. Trump has been secretly studying Judaism, with his final intention being to convert to the Jewish faith. Well, the first thing that we need to ask ourselves is what White House source they are talking about. Of course said person

is not named, which immediately raises -- or at least should raise -- one's suspicion. As you will see by the time you've finished reading this article, the story is completely bogus.

The commentary in question then claims that this conversion "is being conducted by Israel's new Ambassador to the United States, Yechiel Leiter, who is also an Orthodox Rabbi." Now please note that what it says regarding Yechiel Leiter being the Israeli ambassador to the United States is indeed true. Likewise, it is also true that he is a Jewish rabbi. Both of these points were confirmed by myself. However, what it says regarding Leiter converting Donald Trump to Judaism is pure fiction. That is exactly how these bogus stories work. They have to mix in some real facts in order to get you hooked so that you are willing to believe the rest of it.

Furthermore, the article claims that "the conversion will be concluded, including immersion in a mikva (ritual bath) and the traditional circumcision (brit milah), in Israel during an official Presidential visit." In this case, notice how it provides no date for this supposed upcoming presidential visit by Trump. Do you honestly believe that a super proud, vain, seventy-eight year old, egotistical, narcissistic man like Donald Trump is going to be circumcised? Really? Sorry, but I am not convinced. I don't think it is in his nature to do so.

My friends, the article gets even crazier after that. The way that it works is this. They start out by proposing something that isn't really too difficult to believe. In this case, the idea that Donald Trump is secretly converting to Judaism. On the surface, it seems both logical, and even probable. After all, his son-in-law is Jewish, and his own daughter converted to Judaism years earlier. So Trump doing it as well does not seem to be like too big of a step.

However, once you accept that first lie, then they'll slowly throw even more and bigger lies at you until the whole story becomes quite preposterous. So the commentary then says that a replica of the White House is going to be built right on the summit of the Temple Mount -- yes, even despite expected objections from the Muslims -- and that Trump will then take up residence in Israel, due to a Jewish law which states that Jews are not allowed to leave Israel.

Sure. Right. Of course this is all going to happen, correct? Sorry, wrong! Anyone who is even a little bit familiar with

the politics of the Middle East knows that something such as this article describes is never going to happen. The Muslims would absolutely protest -- and probably go to war -- and the Orthodox Jews would not accept it either. The Temple Mount is the most sacred site in Judaism. Do you honestly believe that they are going to allow it to be polluted by a replica of the White House? Not in your life! Aside from that, what Jewish law states that Jews can't leave Israel? Utterly ridiculous!

Regarding strong objection from the Muslims, according to the commentary, Trump is reported to have said "Let them all move to Mecca!" Sure he did; but it must have been the fictional Donald Trump who said it and not the real one. As you can see, the story is becoming more outlandish with each new sentence. And then it continues by claiming that while Trump remains US President, he will fulfill his presidential obligations BY PHONE from the bogus White House on the Temple Mount. What??? Well imagine that! It all makes perfect sense, right?

In fact, if you still have not had enough of this nonsense just yet, this same commentary claims that President Trump has "suggested that he will personally buy the Temple Mount (known as Har HaBayit) in order to end the long-lasting friction between the Muslims and the Israelis regarding ownership of the site."

Whoah there, cowboy! Wait a minute! You mean renaming the Gulf of Mexico to the Gulf of America, threatening to take over the Panama Canal Zone, making Canada the fifty-first state, buying Greenland, and bulldozing the Gaza Strip into the Mediterranean Sea so that he and Netanyahu can build their "Mediterranean Riviera" there isn't enough for Trump? Now he wants to purchase the Temple Mount as well? Oh me oh my!

My friends, are you starting to see that this commentary is just one big, practical Jewish joke? I certainly hope so. To top it all off and end on a real bang, the commentary claims that after Trump's presidential term concludes in 2029, he will consider "entering Israeli politics and declaring his candidacy to become Prime Minister of the Jewish State." So again my friends, this commentary is an intentional joke. It is not meant to be taken seriously. For myself, I was quite incredulous as I read it. I just couldn't believe what I was reading. So, I decided to dig deeper in order to discover the origin of this crazy story.

It was at this point that I discovered a copy of the very same commentary on the israelnationalnews.com website. This website explained that the Trump joke was invented by some unnamed Hollywood screenwriter. But, of course, Hollywood, a place which is totally owned and controlled by the Jews! Where else would something like this be invented? Following is what the israelnationalnews.com website actually states right above the commentary on their page:

--- Begin Quote ---

"With all the serious analyses of President Trump's pro-Israel attitude, and the Houthis sharpening their spears, perhaps it is time for a little old-fashioned fun. A former Hollywood screenwriter has done this for us. Better late than never, no?"

--- End Quote ---

"A little old-fashioned fun"? So as you can see, my friends, the entire story regarding Mr. Trump converting to Judaism, moving to Israel, building a fake White House on the summit of the Temple Mount, and running Washington, DC by phone at that same location, is just a silly, invented movie script which was NEVER meant to be taken seriously by anyone. The Jews know this. They get the joke. But gullible Christians who have been deceived by Futurism, and Christians who are waiting for their Antichrist? Nope. The obvious joke went right over their heads. They swallowed this ridiculous story hook, line and sinker!

To reiterate, this entire story regarding President Donald Trump secretly converting to Judaism is absolutely false. It is an intentional silly joke that was invented by, and then propagated by, the Jews themselves. It is simply a made-up movie script created by someone who wanted to have a little bit of fun. The joke is on you if you have believed it. But sadly, in recent weeks, I have in fact seen a number of my gullible Christian friends on the social networks promoting this story as if it is actually true.

These Christians are absolutely convinced that Trump really is converting to Judaism, even though he is daily surrounded by Dominionists and NAR members -- New Apostolic Reformation -- such as that rather devilish Paula White, and openly has Christian prayer and worship services in the White House. So how is it that Trump is secretly converting to Judaism at

the same time? Can't you see that there's something off with this picture?

Furthermore, as I point out in my article called "It Is Time to Wake Up!", some of these very same misguided Christians also believe that Donald Trump will at some point become the Biblical -- and notorious -- Antichrist, and that he'll then sit in a rebuilt Jewish temple on Mount Moriah -- the Temple Mount in East Jerusalem -- and declare himself God, as per these well-known Bible verses:

"Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. Remember ye not, that, when I was yet with you, I told you these things?"

2 Thessalonians 2:3-5, KJV

I'll agree that President Trump does have the psychological profile to be the Antichrist -- vain, proud, egotistical and narcissistic -- yet I am sorry to tell you that for reasons that I will not be getting into in this current article, I'm absolutely convinced that Donald Trump is most certainly NOT the Antichrist. As I point out in the companion article "Is Elon Musk the Antichrist?", some Christians think that Tesla And SpaceX CEO Musk is the Biblical Beast. Again, I disagree.

You see, my friends, it is precisely because these misguided Christians think that Trump will turn into the Antichrist at some point in the near future, that they need to believe that he has secretly converted to Judaism. After all, only a Jew can become the Jews' false messiah. Furthermore, the Orthodox Jews would not allow anyone but another Jew to sit in their temple -- assuming that a new temple is actually constructed -- proclaiming himself to be their long-awaited messiah.

Lastly, these foolishly Christian believe that in the role of the Antichrist, Donald Trump will then enforce the so-called "Seven Noahide Laws". Because the first Noahide Law is to not worship other gods, and because the Jews do not believe that God has a son, much less a son who is the Savior of humanity, they view Jesus as another god. That is to say, as a false god. So believing in Jesus breaks Noahide Law number one.

And so these misguided Christians conclude that in the role

of the Antichrist, and because Christians worship another god from the Jewish perspective, Donald Trump will thus order all Christians who refuse to deny their faith, to be beheaded by guillotine. That leads into a whole other popular conspiracy theory regarding train boxcars and guillotines, which I will not be getting into in this current article. But the point is that due to their distorted understanding of the Bible, these Christians will view Donald Trump as fulfilling the following Bible verses:

"And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled."  
Revelation 6:11, KJV

"And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed."  
Revelation 13:15, KJV

"And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years."  
Revelation 20:4, KJV

That is how ridiculous some of their beliefs really get, my friends. Seriously. Can you actually imagine President Trump hobnobbing with influential Dominionist and NAR Christians today as he is currently doing, and then turning around at some point in the near future and ordering those very same Christians to the guillotine? Again, I am sorry, but I can't. I find the idea quite preposterous. Where is their spiritual discernment which tells us to test and to verify all things before we choose to believe them? Where is their wisdom? As we read in the Scriptures:

"Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world."  
1 John 4:1, KJV

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."

James 1:5, KJV

My dear friends, I have been saying for many years now that we need to investigate before we propagate. In other words, we need to take time to make sure that we have got our facts right first. Yet some of you foolish people just don't take the time to do that. Instead, you come across a certain juicy online story, and then in your haste, without investigating anything whatsoever, and because you think that posting such a hot story might possibly get you more likes, comments and followers, you foolishly share it yourself, thus spreading the deception even further. Shame, shame, shame! Wake up! Be responsible!

With these thoughts, I will bring this article to a close. It is my hope that you've found it informative and enlightening, and I pray that it has been a blessing in your life as well.
