As many of my online friends will already know, I am 100% pro-life, and I offer no apologies for holding to such a position. Why? Well, because I am personally convinced that our Heavenly Father is likewise 100% pro-life and in favor of children. Now, if you are a God-fearing, Bible-believing Christian, allow me to ask you a simple question. Is modern abortion really that much different from the wicked, ancient Israelites who shed the innocent blood of their very own sons and daughters, when they sacrificed them on the altars dedicated to the false gods of ancient Canaan? If there is one thing which the Bible makes very clear, it is that God HATES the shedding of innocent blood. This Scriptural truth becomes evident by the following group of verses:

"Yea, they sacrificed their sons and their daughters unto devils, And SHED INNOCENT BLOOD, even the blood of their sons and of their daughters, whom they sacrificed unto the idols of Canaan: and the land was polluted with blood."
Psalms 106:37-38, KJV

"These six things doth the LORD hate: yea, seven are an abomination unto him: A proud look, a lying tongue, and HANDS THAT SHED INNOCENT BLOOD."
Proverbs 6:16-17, KJV

Tell me something, my dear friends; what can possibly be more innocent than an unborn human child who is forming in a woman's uterus? I can't think of anything. Can you? Well, as it turns out, tragically, abortion is nothing new. The sad truth of the matter is that people have been murdering unborn babies for literally thousands of years. As if that fact alone isn't already disgusting enough, the real crime is that their methods have only gotten "better", and more horrendous. While some Christians do not view the Book of Enoch as being inspired by God, nevertheless, I would like you to consider the following verse that is found in it. In this verse, Kasdeja is a fallen angel:

". . . And the fifth was named Kasdeja: this is he who showed the children of men all the wicked smitings of spirits and demons, and the smitings of the embryo in the womb, that it may pass away . . ."
Book of Enoch 69:12

As I point out in my series entitled "The Fruit of the Womb", contrary to the misguided opinion which is embraced by many ungodly people today, the Bible clearly states that children are a blessing from God. They are NOT a curse or an inconvenience which can be nonchalantly and easily disposed of via an abortion. Consider the following verse which is found in the Book of Psalms:

"Lo, children are an heritage of the LORD: and THE FRUIT OF THE WOMB IS HIS REWARD."
Psalms 127:3, KJV

For anyone reading this article who may not be aware of it, the Holy Scriptures also inform us that our Heavenly Father was in fact fully aware of our existence, and even designed what we would look like, BEFORE we were physically formed in the womb. If you doubt that this is so, then please consider the following set of verses:

"Thus saith the LORD, thy redeemer, and HE THAT FORMED THEE FROM THE WOMB, I am the LORD that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself;"
Isaiah 44:24, KJV

"BEFORE I FORMED THEE IN THE BELLY I KNEW THEE; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations."

Jeremiah 1:5, KJV

"For thou hast possessed my reins: thou hast covered me in my mother's womb. I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well. My substance was not hid from thee, when I was made in secret, and curiously wrought in the lowest parts of the earth. Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them."

Psalms 139:13-16, KJV

Amazing, isn't it? While the ungodly abortion industry tries to convince ignorant women that an embryo is "just a clump of cells", and not even human yet, so as to ease the guilt of what they are about to do, God's Word tells us something very different. Our Heavenly Father was involved with our creation from the very first step, from day one. Following is more Scriptural proof that God foreknew us from the very beginning:

"FOR WHOM HE DID FOREKNOW, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren."

Romans 8:29, KJV

"According as he hath chosen us in him BEFORE THE FOUNDATION OF THE WORLD, that we should be holy and without blame before him in love . . . Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will . . . In whom also we have obtained an inheritance, being predestinated according to the purpose of him who worketh all things after the counsel of his own will:"

Ephesians 1:4-5, 11, KJV

Sadly, because of our stance regarding the murderous act of abortion, some liberals are quick to label Bible-believing Christians as "religious zealots". Well, to those of you who foolishly label us in such a manner, allow me to say the following:

If by "religious zealot" you mean someone who places God's Laws and God's Word above the imperfect, corrupt laws of men which condone killing unborn babies, then, yes, go ahead and label Christians such as myself as zealots. I will wear the label as a badge of honor. Let me also add that someday when pro-abortionists stand before the Judgement Seat of the God of the Universe, they will finally understand their grave error. However, by then, it may be too late, unless they get smart and repent now while they still have the opportunity to do so!

What actually motivated me to write this current article is the fact that I just came across a meme which I have seen in my Facebook news feed a number of times before, and which I have commented on before. This particular meme is a photo of a woman who is wearing a T-shirt which says that she has had twenty-one abortions. Unbelievable! Again, let me just say how utterly disgusting I find this meme! The fact that the woman even brags about her murderous deeds by wearing that T-shirt is beyond words!

Actually, in thinking about it, it makes me wonder if the meme is even real, or if perhaps some mischievous person intentionally created and circulated it just to purposely push buttons. Admittedly, I am not a doctor or any other kind of medical professional. As such, I have to ask what may seem like a dumb question to some: Can any woman REALLY even survive going through that many abortions? Wouldn't her body eventually give out? Or wouldn't something eventually go seriously wrong, such as uncontrollable hemorrhaging, for example? It just seems to me that the more abortions a woman has, the more the odds of survival stack up against her.

Well, perhaps it is just me being my former idealistic self, but I would think and really hope that with each successive abortion, this woman's heart would slowly soften a little bit at a time, and she would eventually come to realize that what she was doing was seriously wrong, because the conviction of God's Spirit would be resting so strongly upon her. However, then sadly, I am reminded of the following powerful verses which are found in two of the Epistles written by the Apostle Paul:

"This I say therefore, and testify in the Lord, that ye

henceforth walk not as other Gentiles walk, in the vanity of their mind, Having the UNDERSTANDING DARKENED, being alienated from the life of God through the ignorance that is in them, because of the BLINDNESS OF THEIR HEART: Who BEING PAST FEELING have given themselves over unto lasciviousness, to work all uncleanness with greediness."

Ephesians 4:17-17, KJV

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their CONSCIENCE SEARED WITH A HOT IRON;"
1 Timothy 4:1-2, KJV

As I have pointed out in a number of my other BBB articles, my personal understanding is that the previous verses are describing how one becomes numb to the conviction of God's Holy Spirit. In the last two verses which are found in the Epistle to Timothy, I believe the Apostle Paul is referring to the process of cauterization whereby hot metal is used to sterilize and seal an open wound. The practice was in use for centuries. The result of doing that is that not only is the flesh scarred, but the nerve endings are deadened in that particular area so that the person can no longer feel anything there. Today, modern science and medicine rely upon lasers to perform the same function, such as when people are experiencing terminal pain in some area of their body.

At any rate, how perfectly the previous verses describe the cruel woman who is depicted in the photo which is circulating on Facebook -- and probably elsewhere -- who apparently feels no guilt or remorse whatsoever regarding what she is doing, and even appears to be bragging about her murderous acts via the hideous and offensive T-shirt. Honestly speaking, just to be willing to undergo one abortion is bad enough; but to do so over and over again without feeling any sense of guilt is just pure wickedness and outright defiance against God.

For me personally, it is very difficult to comprehend that a person can have such a hardened heart, and a conscience which has become so numb to God's Spirit, that they would continue to do such a vile thing. May God wake up such evil women, and penetrate their hardened hearts!

With these thoughts, I will bring this article to a close. It
